Memorial Park. MEMORIALS  
OF YOUR CHOICE APPRECI-  
ATED. IN STATE FRI. 4-9 P.M.

Herb Parish was  
a LIFE MEMBER  
OF MRAC

### Daniel W. Gellerup

Whitefish Bay -- Services for Daniel W. Gellerup, who helped organize commercial radio here and was WTMJ radio's longtime chief engineer, were held Saturday at St. Monica Catholic Church, 5811 N. Santa Monica Blvd., Whitefish Bay.  
Gellerup, of 6963 N. Braeburn La., Glendale, died Wednesday of emphysema at Columbia Hospital. He was 90.

As a teenager, Gellerup built a receiving set and a transmitter for wireless telegraphy. He communicated with other ham operators using the Morse code. That was before the era of voice transmissions.

He cut short his education at the Milwaukee School of Engineering in 1917 to enlist in the Navy, where he handled radio communications.

He returned to Milwaukee in 1920, where he worked on a station run by Gimbel Brothers.

In 1923, when about 5,000 radio sets were scattered about Milwaukee, he joined station WCAY as chief engineer, operator, announcer, program director, page boy and sound effects man.

In 1925, Gellerup went to work for

The Journal Company's radio station, which became WTMJ in 1927. He helped pioneer radio sports announcing here.

Marquette University played the first football game that was broadcast here, and Gellerup handled the announcing, as well as the engineering, when the scheduled announcer failed to show up. He also handled engineering for the University of Wisconsin and Green Bay Packers football games for many years.

During World War II, Gellerup responded to a call to help the Navy develop radio communications. He rejoined WTMJ after the war, where he stayed until the late 1940s. He later helped put WITI-TV (Channel 6) on the air. He retired from that station in 1960.

But he began a second career, doing engineering work in educational television for the Milwaukee Archdiocese. He retired from that job in about 1970.

Survivors include his wife, Leona; two sons, Daniel L. of Vancouver, Wash., and Frederick E. of Wautoma; and a daughter, Lucy Stoehr of Brown Deer.

Burial was at Holy Cross Cemetery.

MRAC members are receiving an updated edition of the list 'PRESIDENTS OF MRAC' as it appears in the archives of the club.

Dan Gellerup, 9AOE, was the third President of MRAC for the club year 1921-1922.

Note that the calls of the first seven Presidents had no W, K or N prefix.

Dan Gellerup was an HONORARY MEMBER MRAC

-- MRAC - YOUR WISCONSIN BASED VEC FOR REGION-9 --

Saturday, June 7, 1986, MILWAUKEE METRO AREA TEST TEAM TESTS for FCC Amateur Radio Licenses will be conducted at:

Saint Matthias Church (lower level)  
9306 West Beloit Road

(Wauwatosa East High School building is closed for the 1986 summer just as it was in 1985.)

No advance registration required for this test date. Please arrive between 9:00 AM and 9:30 AM. Bring a good photocopy of your license to go to FCC with your application. Bring a pen and \$4.25 for the test fee.

We supply the proper Form 610 and assist you in filling it out.

BE SURE TO BRING YOUR ORIGINAL CURRENT LICENSE FOR ID PURPOSES

Watch HAMMATEUR CHATTER for announcements of next test dates.

If you want to contact us write to:  
The Milwaukee Radio Amateurs' Club, Inc.

N50 W16328 Pin Oak Court  
Menomonee Falls, WI 53051

(Call (414) 781-8616 in emergencies)

MILWAUKEE METRO AREA TEST TEAM invites you to take your FCC license tests with them. Why not support a home state operation?
